MISSION

Become a market leader in this industry and continuously improve our products and services to serve our customers in every little ways. Our aim is to provide value-for-money products and quality services for our customers

CORE VALUES

Appropriate : Proper image as school uniform and bookshop supplier

Service : Provide excellent services for our customers

Ethic : Conduct our business with moral values and social ethics

Nostalgic : Maintain good relationships with all our stakeholders including our staff, customers and suppliers

Customer : Provide our customers with products which are value for money

Improve : Constantly review services, products and systems for improvements

Open : Evaluate feedbacks on all our products and services

ABOUT US

When it comes to school uniform and bookshop operation, it's definitely our main forte and we are proud to be in this industry for more than 20 years.

We have a team of skilled production staff, who can meet the daily needs of designing and manufacturing quality uniforms for schools and companies.

Currently we are also the official school uniform supplier and bookshop operator at numerous local schools and institutions.

SERVICES

At ASECIO TRADING, we have been manufacturing quality uniforms and fashion wears since 1987. With more than 20 years of experience, we adhere to stringent standard in ensuring the best quality for our customers.

Our uniforms are manufactured in Singapore and are designed according to our customers' requirements. And we pay meticulous attention to the minor details in our products.

Besides being a uniform manufacturer, we also service several school book stores in Singapore and have also provided other services which include gift & souvenirs for different occasions, sales of school textbooks and assessment books, sales of stationery, supply of office equipment, printing services and more.

BOOKSHOPS . ACCESSORIES
